

Dear Parents

The College has prepared the following stationery list for your convenience. It has been compiled so you can purchase the required items from any supplier.

In line with the College's goal to reduce its environmental impact, we ask that you consider purchasing stationery items that are environmentally friendly. It is also an opportunity to reuse or recycle stationery items that you currently have. If you wish to know more about Green Procurement, please go to [Green Procurement - KICEnviro](#).

We thank-you for your support with this initiative and should you require further guidance or information, please contact your child's Head of House.

Yours faithfully,

**Nathan Morton**

Deputy Head of Senior School - Teaching and Learning
